THE McEWAN CENTRE

It was hard not to notice the McEwan centre coming down this month. It was used by many for TRA meetings, parties, clubs and community events over the years and will be sadly missed. It was no longer safe due to flooding during the

past couple of winters and had to be demolished. we have been using the HUB at 135 ley-bridge to replace the McEwan centre, come along and have a look. Wednesdays 11am—1pm

COMMUNITY GARDEN

The first meeting of the community garden was a great success. We had great weather and everyone enjoyed the sunshine. we made a great start clearing out the garden at the HUB. We now have compost bins donated by the lovely Daniel Griffin.

The next meeting will be Sunday 25th at 10:30am at the HUB. PS.dont forget your wellies!!!!
